

Appendix I: Sample Brochure

Route Deviation Service

Eagle Transit operates Route-Deviation Service Monday through Friday within the Kalispell area. Buses operate on a scheduled fixed-route, but are able to deviate from the route to accommodate demand-response trips.

The schedules in this Rider's Guide show the time that the bus may arrive at a stop. These times will vary depending on how many deviations a bus will make. If no requests to "deviate," the bus will operate as a regular fixed-route.

Residents in the service area can request the bus to pick up or drop off at a specific location, not on the advertised route, and at a slightly higher cost to the rider. The bus will leave and return at the same location from the scheduled route. This ensures that all riders who are waiting for the bus will still be accommodated.

Use this guide to travel. The map shows the route. Locate where you want to go and see if the route will take you there. If not, call Eagle Transit at 1-866-734-6666 to schedule your trip. The route will deviate only in the shaded areas shown on the map.

Kalispell City Bus is available to all persons in Kalispell. The service provides access for all residents and visitors.

Eagle Transit vehicles are equipped with lifts for handicapped accessibility. In compliance with federal regulations, Eagle Transit provides special transportation for passengers with disabilities. This information is available upon request in accessible formats by calling Eagle Transit at 406-758-5728.

Eagle Transit is funded (in part) under an agreement with the Department of Public Health & Human Services. Statements herein do not necessarily reflect the opinion of the department. Other funding sources include: FTA Section 5311, Older Americans Act, Cities of Kalispell, Columbia Falls, Whitefish, Flathead County, Northwest Healthcare, North Valley Hospital, United Way, FVCC, service contracts, contributions, and fares.
