VIII	STRATEGIC TRANSIT PLAN	VIII-1
	Transit Vision	VIII-1
	Mission Statement	VIII-1
	Goals and Objectives	VIII-2
	Goals	VIII-2
	Objectives	VIII-2
	Goal #1: Provide and maintain an adequate vehicle fleet to meet the overall requirements of the transit system and special needs of system riders	VIII-2
	Objectives to Meet Goal #1	VIII-2
	Goal #2: Maintain an adequate staff of appropriately-trained personnel to continue to operate a quality transit system	VIII-3
	Objectives to Meet Goal #2	VIII-3
	Goal #3: Maintain the existing ridership base while increasing ridership levels and expanding the types of services offered under the system's current operating parameters (service area and oper- ating times). Attract new ridership segments, such as commuters, through park-and-ride programs	VIII-4
	Objectives to Meet Goal #3	VIII-4
	Goal #4: Continue to provide for the economic sustainability of the transit system, including providing efficient and effective public service	VIII-5
	Objectives to Meet Goal #4	VIII-5
	Goal #5: Continue to coordinate and improve communication between the different transit providers	VIII-6
	Objectives to Meet Goal #5	VIII-6
	Goal #6: Identify a realistic fare structure that is both acceptable to the various market segments and meets the needs and goals of HATS	VIII-6
	Objectives to Meet Goal #6	VIII-6
	Goal #7: Enhance the overall marketing of the system, including education and coordinated activities	VIII-7
	Objectives to Meet Goal #7	VIII-7
	Goal #8: Experiment with expanded service hours, areas, and types of service to meet new demands identified by current and potential riders. Define the service area more definitively, including a phased approach to address those areas that continue to grow	VIII-7
	Objectives to Meet Goal #8	VIII-7
	Goal #9: Examine additional funding from federal, state, local, and private resources in order to improve transit service	VIII-7
	Objectives to Meet Goal #9	VIII-7
	Goal #10: Develop regional transit service throughout the valley and into neighboring counties	VIII-8
	Objectives to Meet Goal #10	VIII-8
	Goal #11: Develop a fully consolidated transportation system incorporating human service agencies which provides a seamless transportation system throughout the region. This may incorporate investigation of the formation of an Urban Transportation District for the region	VIII-8
	Objectives to Meet Goal #11	VIII-8
