

SE COLORADO REGIONAL TRANSIT PLAN

April 2001

REGIONAL TRANSIT STUDY UNDERWAY

Southeast Colorado Enterprise Development (SECED) has undertaken a study to prepare the Regional Transit Plan. The partners included in the Plan are Baca, Bent, Crowley, Kiowa, Otero, and Prowers Counties, and the local governments.

La Junta City Bus

The study will identify the public transportation mobility needs of the Southeast Colorado Transportation Planning Region and prepare a plan for addressing those needs.

The Transit Plan for the SE Region will also be included as the Transit Element for the 2025 Regional Transportation Plan (RTP), which will be prepared in the next several years. The RTP is a

multimodal transportation plan which will include highways, aviation, rail, bicycles, and pedestrians.

LSC Transportation Consultants, Inc. was hired to prepare the regional transit study. The project

team met with local agencies and key players at a "Kick-off" Meeting April 9th in Lamar.

All local residents are encouraged to provide input as the Regional Transit Plan is prepared. Please plan to attend one of the upcoming public meetings which are listed on the other side of this newsletter. Your comments and suggestions are welcome!

Please contact the following persons with any questions or comments.

- Jan Anderson, SECED
336-3850
- Corinne Donahue, LSC
800-677-1671

SE Region TRANSIT Providers

Are you familiar with the transit agencies within the SE Region? Key transit providers involved with this Regional Transit Plan include:
